## WHAT'S NEW AT MT BULLER FOR 2012

### **A new lift for the Northside**

The big news at Buller this winter is the construction of a brand new Northside quad chairlift that will improve access and lifting in the popular ski area between the Horse Hill and Grimus lifts. Construction of the 530m long lift is underway this summer and will be an exciting addition improving the flow of people around the mountain and removing the lift towers from the Burnt Hut ski run. It will be the third new lift installed at Mt Buller since 2005 and is a key part of the revitalisation of the Northside area – perfect for day visitors wishing to access great terrain just minutes from the Horse Hill carpark.

### **Howqua Chair Update**

The southern slopes also get a boost with the final stage of the upgrade of the Howqua Chairlift ready for winter 2012. Plush new Poma chairs are being installed as the final touch on the extensive overhaul of Howqua Chair ensuring you have a smooth and comfy ride this winter!

### **High-tech passes**

Thanks to RFID technology new passes at Mt Buller this winter help save time, money and hassle. The passes are available for purchase online at our eStore before you arrive and once you are on the mountain the RFID chip scans automatically to access lifts and get you on the slopes – fast. This new RFID technology also makes it possible to receive automatic discounts and special offers, load additional products as needed and have your secure information at your fingertips for easy rental, retail and Ski & Snowboard School service.

### **Free lunch!**

There is such a thing as a free lunch – and if you book a school group during September, lunch is on us! Ask our friendly Buller Holidays team when booking your spring snow school trip and save with tasty free lunches for your group at ABOM.

### **Teacher orientation – we smooth the way**

We know how busy teachers are and organising a school trip to the snow for the first time can be daunting – so we've made it a whole lot simpler. We offer up to two teachers a day at Mt Buller at no charge prior to your trip to get you familiar with the resort, help step you through rental and lessons and more so everything runs smoothly for your group. Ask us about arranging a preview visit when you confirm your school booking.

## **BOOKING TIPS Cont...**

### **BOOK EARLY**

The early bird catches the worm. If you book at the last minute we may not be able to confirm your preferred lesson times.

### **ALLOW ENOUGH TIME**

Often the journey to Mt Buller and collecting rental equipment takes longer than expected, and this can create stress for the group leader and possibly cause you to be late for your lessons. A later lesson will ensure you have a pleasant start to your snow trip.

### **THE FASTEST WAY TO THE SNOW**

To make accessing the resort and ski area more convenient, faster and with fewer hassles we strongly recommend the following:

We recommend Buller Sports Mansfield for our day groups and those staying off the mountain and Buller Sports Central for those staying on-mountain. For schools staying on-mountain, equipment may be collected from 4.30pm on the previous day. For a group of 40, please allow a minimum of 30 minutes for equipment collection.

### **TRAVEL DATES**

Mt Buller hosts many events throughout the season, please see events calendar on page 17, some of these event can use a large proportion of our instructors and rental resources resulting in only a limited number of lesson slots available to school groups please be aware of these events when choosing your travel dates or call Buller Holidays to asses availability before committing to Accommodation, transport etc.

### **TICKET COLLECTION**

Can be collected from the following

Buller Holidays Office in the Village centre

Buller Sports Horse Hill in the Horse Hill Car Park

### **RENTAL INFORMATION**

All our prices are for the rental of a "Standard" package. This includes shaped skis, boots and poles or snowboards and boots, plus helmets and wrist guards which are recommended. Keep in mind your rental collection time is considered an appointment. If you are late to collect rental it could take longer to process when you arrive.

### **LESSON INFORMATION**

The Ski & Snowboard School conducts 1hour 55 minutes lessons at 9am, 11am and 1:30pm daily. We receive many lesson requests for the preferred time of 9am. It is beneficial for beginners to receive this time as they will get the most value for their visit and may not be able to ski/board safely without a lesson. Priority will be given to the 9am time slot for our guests who are complete beginners. Intermediate or advanced students will be allocated lessons at 11am or 1.30pm.

Please Note: Your lesson times are considered appointments, our instructors will have another lesson after yours so if you are late, the lesson will still finish at the scheduled time.

## ORGANISING SKI & SNOWBOARD LESSONS

The Mt Buller Ski & Snowboard School has an experienced team of local and internationally qualified ski and snowboard instructors, ensuring your students receive expert tuition and maximize their learning potential. Beginner lessons from qualified instructors will ensure a quick and safe progression while intermediate and advanced skiers and boarders will benefit from the more advanced lessons and get more out of their day(s) skiing/snowboarding.

**LESSON START TIMES:** 9am, 11am or 1.30pm

**DURATION:** 1 hour 55 minutes,

**LESSON MEETING PLACE:**

**On Mountain Guests:** At the 'Clock Tower' in village square

**Off Mountain & Day Visitors:** Horse Hill "Spurs" Portal

**SKIERS & SNOWBOARDERS ABILITY** Please use this guide for determining your students' abilities.

Beginner	2 – 3	I can link turns together on green runs
Intermediate/Advanced	4 – 8	I am comfortable skiing or riding on blue runs

### CLASS SIZES:

Instructors are assigned to groups on a ratio of approximately 1 instructor to 10 – 12 kids. Once a split occurs the groups may be larger. This number does not include teachers or assistants. If there are a small number of students that do not fit in with the group we may need to put those students in a public lesson. Lesson times, duration and the meeting point of public lessons may differ to group lessons (you will be advised full details at the time of the booking).

If you prefer to keep all your students together in group lessons regardless of their ability, please note this on your booking form when you make your reservation.

### FORMING CLASSES:

Class sizes are generally larger in first-time groups and smaller in advanced groups. The School coordinator and instructors will determine a reasonable ratio when you arrive at the meeting place to start your lesson.

### **OTHER IMPORTANT INFORMATION:**

- Please ensure you meet our Ski & Snowboard School Supervisor at your selected schools meeting place, 15 minutes prior to your lesson. Due to the popularity of our schools programs, your lesson will be completed at the regular time if you arrive late. IE, 11am, 1pm or 3:30pm
- Lessons start and finish at the same place except by prior arrangement.
- Teachers are not to interfere with an instructor's conduct of a lesson.
- Organizers to rely on the instructor's knowledge with regard to class splits and organization.

### **LAST-MINUTE CHANGES:**

1. Please be aware that our instructors are allocated to lessons prior to your arrival. Depending on business levels, instructors may not be available for last minute changes.
2. IF STUDENTS CHANGE DISCIPLINES HALF WAY THROUGH THE WEEK you need to inform Buller Holidays prior to your arrival. As an example, if after two days two students decide they want to move from skiing to snowboarding we will not have a beginner school class available for them. However, if eight decide to swap and you let us know ahead of time we will be able to assign another instructor to your group.
3. CHANGE OF MEETING LOCATION also needs to be communicated via your Booking Agent or directly with Buller Holidays on the mountain. Please do NOT organise changes with your instructor to meet at a different location the next day. Instructor schedules may change and the replacement instructor will not know where to meet your students. We can let your instructors know of any meeting place changes you require.
4. ANY CHANGES THAT YOU WOULD LIKE TO MAKE NEED TO BE COMMUNICATED to Buller Holidays as soon as possible.

**WE RECOMMEND YOU BOOK EARLY TO ENSURE YOU RECEIVE  
YOUR PREFERRED LESSON TIME!  
(We operate on a first come, first served basis)**

2. Challenge (LBS) is best suited for skiers and snowboarders of a high intermediate standard and above. A minimum of 30 competitors is required to run this time trial. When there is a mixed group of both alpine and snowboard competitors, the minimum number of snowboarders required for a separate snowboard course is 30 competitors.
