

Media Visits - join us on top of the world

The Mt Buller media team is here to help with your snow stories this winter.

If you would like to visit Mt Buller during the season, please contact Gillian on 03 5777 6077 or Rhylla on 03 5777 7822. Before your visit, we will need to arrange a resort entry pass, car parking, lift tickets and clothing or equipment hire, so the sooner you contact us the more we will be able to help with your visit.

Media resort visits

We can arrange:

- > Resort gate entry and car parking*
- > Lift tickets
- > Lessons
- > Equipment hire
- > Clothing hire – everything from jackets and pants to sturdy boots for walking in the snow and around the Village
- > Skiing or snowboarding talent to appear in your photos or stories
- > Accommodation

** Please be advised that gate entry cannot always be arranged at short notice. 24 hours is the minimum notice required.*

Complimentary gate entry, lift tickets and equipment will be issued to journalists, photographers and film crews directly responsible for producing the story, images or report, subject to the discretion of the media team.

We regret we are unable to provide complimentary services for family members or others.

Accommodation

We have a limited number of media beds available to visiting journalists and photographers during the season. As this accommodation can be booked out quickly, the earlier we know of your intention to visit the easier it is for us to secure a bed.

Please send us your stories and photos

We appreciate receiving a copy of the published or broadcast stories generated by your visit to Mt Buller and Mt Stirling. The more resources we have, the better able we are to assist you with your future requests.
